2024/25 School Education Plan At-A-Glance

This Year We Worked On:

- Literacy and Numeracy Interventions and supports, particularly in K to gr 3
- Career explorations and building future-ready students (e.g. career fairs)
- Acknowledging positive behaviours school-wide

You Can Help By:

- Reading at home with your child, particularly in grades K to 5
- Monitor PowerSchool regularly and communicate with teachers
- Support numeracy development at home (e.g. play math games, reinforce in-class learning)

Next Year You Can Look Forward To:

- Even more intensive literacy and numeracy support
- Continuing our work in strengthening positive school culture (PBIS)
- Expanding our grade 7 & 8 CTF (options) opportunities

Information is based on our 2024/25 school education plan.
