Welcome and Call to Order

Chelsea Ray (2 mins), 7:03pm.

Addendum to Agenda

Chelsea Ray (2 mins), none.

Adoption of January 24 Meeting Minutes

Chelsea Ray (2 mins)

Chelsea Ray motioned to adopt January 24 meeting minutes, Nicola Veasey-Jalbert seconds. All in favor, motion carried.

Old Business

- Chelsea Ray and Kali Kasper to take letter to the bank with approved minutes showing their change in roles and adding Kali as signor to account.
- Action for Chelsea Ray to keep FOW meeting minutes together in a binder and eventually keep them at the school. Done. Bylaws added, minutes added, old copies added as well. Angie has all the old secretary materials that she will hand off to Kali so, this is an action for Angie Pighin and Kali Kasper to exchange these.
- Grade 6 camp funds, what to do from here? School council talked about year end funds, camps and grad. Chelsea mentioned this to School Council. Jonathan will talk about options in the Teachers Report.

- Nicola Veasey-Jalbert to forward FOW fundraising amounts and efforts to Jonathan Klinger for Westbrook School Newsletter. Not done yet because nothing has been paid yet. Once invoices are paid, this will get done. Done.
- Nicola Veasey-Jalbert to pay for Alien-In-Line skating. Done.
- Shannon Kinch to hand casino paperwork to Nicola Veasey-Jalbert. Not done yet.
- Amy Bieraugle and Chelsea Ray to fill out an application for the playground 50/50 fundraiser license. Done!

New Business

Teachers Report, Jonathan Klinger (15 mins)

- It was Professional Learning day on January 31, K-3 teachers and learning assistants continued with layers of reading, this is almost done. In the afternoon, most staff did a course through the Indigenous University of Canada. This was some of the best professional learning that they have ever done, lots was learned on residential schools and other topics as well.
- Westbrook has a new learning assistant named Laura Moon (in Kindergarten classroom), she has been great!
- The school received new furniture in the grade 7/8 hallway, this came from the “new build” money. There are two more tables coming in May to finish off the space.
- Fun Lunch is back and the kids love it! Plus, there has been lots of support. On April 12 is Subway and the school is looking at expanding Fun Lunch for next year.
- Valentines Day and pink shirt day all went well. Families are continuing every week and assemblies are back to normal in the gym.
- Junior B basketball teams are up and running, the girls are undefeated, and the boys are doing great as well.
- The last Junior B tournament is coming up with the boys hosting and the girls are going somewhere else for their last tournament.
- Badminton starts right after basketball is done, kicking off with April 12 at the badminton facility in Calgary.
- Track and Field will be the last of athletics for the year.
- Grade 7/8 had a presentation from Mothers Against Drunk Driving (MADD).
- There are six Westbrook students participating in Equine Therapy (straight west of the school), Mrs. Kondrat said it’s going great.
- Field trips – Teachers are trying to book some before the end of the year. Ski trips are hard to book right now due to staffing issues at ski hills and all schools want a field trip now so, ski hills are overwhelmed. Due to these factors, this is day to day right now.
- To the West of the school where construction material is stored, the students have nicknamed the area “Lumpy Bumpy”, the grass seed isn’t taking hold so Jonathan is looking for a long term solution. It might get fenced off again so the grass can get a better chance to grow as it is very muddy right now.
- School workbook (old school education plan) is continuing and will be done in April.
- In reference to the gym loan, it was discovered that the school CAN use the old school reserve funds to pay it down! There is a possibility that the school can access the school reserve money this year when they originally had to wait until next September. That would be awesome!
- The school is looking at having conversations on complimentary courses or “options”. Previously, French and drama has ran all year, also music and tech. However, they are looking at

offering different courses. Timetable, budget, staffing, etc. is all being taken into account. Photography, financial literacy, environmental stewardship, basic woodworking, food courses and more are all being considered. These are preliminary conversations; nothing has been decided yet.

- School fees are a topic that needs to be talked about with School Council regarding the new complimentary courses. Amy mentioned the “Farm to Cafeteria Program”. They cover some fees. Jonathan said these school fees go to the school of trustees but upon first look, Fine Arts would be \$20, wood working would be \$40 and other courses have different prices.
- New requests: Jonathan says since we have come out of the pandemic, details are pouring in!
 - 1) Mrs. Zboya is asking for \$317.50 USD plus shipping costs for a set of decodable books. In case of shipping and exchange, can we approve up to \$450?
 - 2) Mrs. Steiner is looking at replenishing grade 5 science materials. Replacing magnets, compasses, and beakers (these materials also overlap with Grade 2 supplies) for approximately \$1000.
 - 3) Mrs. Kondrat is inquiring about getting transportation for Equine therapy for \$567. Can this expense be covered with AGLC funds? Nicola says this shouldn't be a problem to cover with AGLC funds.
 - 4) The Grade 7/8's missed out on camp, so Mrs. Bonaventura is looking at other options. One full day is already a go for Camp Evergreen, costing \$275.00 (Jonathan wants to confirm this number). Mrs. Bonaventura is also looking at tacking on some overnight options, they might be able to do an overnight at Camp Evergreen OR Camp Kiwanis (down toward Bragg by the roundabout) where they provide meals, busing and programming. This cost is \$7500 (\$220/student for the overnight part maximum). There aren't a lot of concrete details right now. The grade 7 and 8's missed a lot so Jonathan thinks this is a good idea. The school was thinking that the lighting for the gym and the purchasing of the technology will be covered by the new build money so this frees up some funds. Jonathan is asking for \$7500 for camp. This is separate from the \$275, also keeping in mind that students might do fundraising as well!
 - Grade 6 is going to another camp as well. How much was this? We approved the \$2200 (\$100/22 students) and FOW tabled the additional amounts that were being requested. We don't really have numbers for this yet.

New Business

- Need to elect two auditors for the upcoming annual corporate return process.
 - Last year Sarah and Shannon volunteered their time.
 - Any elected members can do this.
 - **Nicola Veasey-Jalbert motioned for Kali Kasper and Chelsea Ray to complete the auditor role, Angie seconds. All in favor, motion carried.**
- Bottle revenue – any update on bottle revenue?
- Regarding the \$7500 for camp; 34(?) students total with 275 + 567 + 2200 + 450 (books) = \$792
 - At our last approval meeting, we basically approved \$19,000. FOW could potentially subtract the technology (computers) and lights from this with funds being left over.
 - It was noted that FOW can approve this expense out of new casino funds as AGLC funds are allowed to be used here.
 - Chelsea Ray noted that FOW usually spends around \$100/student on the camp and FOW tries to keep this the same every year for each student so, \$220/student seems high. The school could ask the students to fundraise.
 - **We will invite Kim Bonaventura to the next FOW meeting to discuss the Grade 7/8 Camp, action here for Kali Kasper to invite her!** This will give the situation more context and information regarding camp costs and options.
 - **Nicola Veasey-Jalbert makes a motion to cover expenses for the Grade 2 decodable books for \$450, transportation to equine therapy for \$567, upgraded Grade 5 science equipment for \$1000 to total \$2017.00, Chelsea Ray seconds. All in favor, motion carried.**
 - Will there be any swimming? We had approved this previously and the funds are sitting there. Spray Lakes is dealing with a staff shortage and Westbrook is having a hard time getting ahold of Spray Lakes staff. The school is currently unsure and cannot confirm swimming lessons right now.
 - **Action for Nicola Veasey-Jalbert to reach out to Corina Dixon regarding the Play Materials invoice. This invoice is pending payment.**

Fundraising Report, (10 mins)

- Playground Fundraising Progress (Amy)
 - FOW got a sizable grant approval from Inter Pipeline for \$5000 and another private donation came in as well.
 - The Playground Fundraiser 50/50 jackpot is at \$1750 to date!
 - 50/50 flyers will be at the school soon to send out to families.
 - Forward on the 50/50 flyers to friends and family, spread the word!
 - Kari McLuney will put flyers up in neighboring communities like Bottrel and Water Valley.

School Council Update, Chelsea Ray &/or Nicola Veasey-Jalbert, (5 mins)

- Nothing noted.

Grant/Bursaries, (5-10 mins)

- Grade 8 Farewell Donation Request (Angie Pighin)
 - The Grade 8's generally get a donation from the school fair however, it is not happening this year. Would FOW be interested in donating?
 - They didn't want a specific dollar amount, they would be happy with anything.
 - There are 13 kids in the class this year.
 - AGLC funds cannot be used on this as it is not recreational.
 - Could the FOW get Grade 8's to help with the BBQ (in June) and give them some money for this? FOW will table this for now however, action for Kali Kasper to add this to next agenda.

New Business, (10 mins)

- AGM notice – The FOW AGM must be before the end of April, as the bylaws state and FOW must provide 2 weeks' notice for the AGM. Notice was sent out previously, for the AGM on April 13, 2022.
- Chelsea Ray wants to nominate Amy Bieraugle as a director for FOW. Angie Pighin and Karen Allison are leaving and FOW would like more hands-on deck as this makes for lighter work.
- Action for Nicola Veasey-Jalbert to send out FOW bylaws to Kali Kasper. Done.
- The FOW AGM is basically just to nominate directors for September, we can still approve things after this.
- Badger Ridge Flower fundraiser, is this happening?
 - We don't necessarily need it because of the casino. Our operating account is in good standing, we might do this in the future but for now, FOW is not going to do it unless someone wants to take this on.

Set Next Meeting

- AGM set for 7:00pm on Wednesday, April 13, please recruit your friends!
- There will still be a meeting on May 24, 2022.

Adjournment

- 8:14pm
