Dear Parents and Guardians,

We are almost halfway through our school year! Hard to believe how fast time goes by. I wanted to give you all an update on the 65th Annual School Fair that was cancelled last year due to COVID 19. As you know, the School Fair is a huge part of our school and our community. It brings our community together to enjoy the amazing projects that our children have put together with imagination and their very own talents.

After serious consideration, we have decided to postpone our 65th Annual Fair. We understand how upsetting this is, especially to our grade 8 students! However, due to the current health restrictions we felt that we would not be able to have the fair we expect to have for our 65th.

What does this mean? It means that hopefully 2023 will be one of the most amazing years, not only for our children and Westbrook staff, but also our community. Everyone will be able to enjoy the new school, especially the new gym that is bigger and better than we ever imagined! That means more categories and more entries!

If you have any questions or concerns, please do not hesitate to contact me.

Sincerely

Vanessa Reeve  
Westbrook School Fair President
