Dear Westbrook Families,

After much thought, discussion among staff, and consideration of current COVID-19 restrictions, the decision has been made to unfortunately cancel this years Christmas concert.

Please know that this is not a decision that was taken lightly, as this event is a long-standing tradition here at Westbrook. Personally, I experienced the same excitement and anticipation during my almost ten years at Crossfield Elementary School where the Winter Concert was an event the whole community looked forward to each year.

In true Westbrook fashion, we are looking to the future and how can we make the best of this situation. With that said, the focus now has turned to putting together a spring performance in the hopes that COVID-19 restrictions may ease, and/or we are able to use our amazing outdoor space to our advantage.

Please look forward to more information coming your way further in the school year regarding a spring performance.

Sincerely,
